Admissions Requirements

Freshman

If you have graduated or will graduate from an accredited or approved high school and have not earned college credits after graduation, you may fulfill the following admission requirements to be admitted to UNLV. (Note: All freshman must submit official composite ACT or SAT scores and official transcripts.)

1. Have a weighted 3.0 grade point average (GPA) in the following high school academic core units: English, Mathematics, Social Science, and Natural Science. **OR**
2. A combined score from the SAT Critical Reading and Math sections of at least 1120 (new version--March 2016 and later) or 1040 (old version) **OR**
3. An ACT composite score of at least 22 **OR**
4. A Nevada Advanced High School Diploma

Transfer

If you have earned college credits after graduating from high school, you will be considered a transfer student and must fulfill the following requirements to be admitted to UNLV:

1. Have earned at least a 2.5 GPA in transferable credits. **OR**
2. Have earned an AA, AB, or AS from an NSHE 2-year institution.

*Transfer students with fewer than 24 transferable credits should be prepared to submit high school credentials to meet the freshman admission requirements.

International

If you require an F-1 student visa to study in the United States, review admission requirements and complete the international application for undergraduate admission at unlv.edu/admissions/international.

Returning Students

If you have attended UNLV in the past as a degree-seeking student, and have had a break in enrollment longer than 2 consecutive semesters (not including summer), you will be considered a returning student. Returning student status also includes any student who will have completed a UNLV bachelor's degree prior to the term of application.

Returning students must apply online and submit updated transcripts (if applicable). It is not required to submit high school transcripts, ACT/SAT test scores, UNLV transcripts, or final transcripts submitted when previously attending.

Returning students who complete all required steps will be admitted to UNLV.

Students placed on university suspension wishing to re-enroll after suspension is complete (or earlier) must work with the appropriate advising center.

Students placed on suspension returning to UNLV after more than one year must reapply as a returning student.

ADMISSION ALTERNATIVES

If you are a transfer student and do not satisfy the requirements for full admission, you may still be eligible for admission. Please contact the Office of Admissions: (702) 774-UNLV (8658) or admissions@unlv.edu

Apply for Undergraduate Admission

COMPLETE THE ONLINE APPLICATION- Apply online at unlv.edu/admissions. A \$60 application fee (\$95 for international applicants), payable online with a credit/debit card, is required to submit the application.

SUBMIT YOUR TRANSCRIPTS- You must submit official transcripts from your high school and all colleges/universities you have attended. Official transcripts must be either mailed or emailed from the issuing institution to the Office of Admissions. High school transcripts are not required for transfer students with 24 or more earned transferable credits.

SUBMIT YOUR ACT AND/OR SAT SCORES Submission of official ACT and/or SAT scores is required for admission for incoming freshmen. Test scores must be either sent directly from the testing agency to the Office of Admission or listed on your official high school transcript.

After You Apply for Admission

CHECK YOUR APPLICATION STATUS Check your application status and view any incomplete items on your MyUNLV “To Do List” in the Student Center. Login to your MyUNLV at my.unlv.nevada.edu with your user ID and temporary password that will be sent via email after you apply.

APPLY FOR FINANCIAL AID AND FOR SCHOLARSHIP CONSIDERATION- To be awarded financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). UNLV's federal code is 002569. For more information visit unlv.edu/finaid.

SUBMIT YOUR IMMUNIZATION RECORDS- The state of Nevada requires all students to submit proof of vaccinations prior to attending. For a complete list of immunization requirements visit unlv.edu/registrar/immunizations.

Upon Acceptance to UNLV

CONFIRM YOUR ATTENDANCE- In the Student Center of MyUNLV, you will find a link to “Accept or Decline” your admission.

REVIEW THE NEW STUDENT GUIDE IN YOUR ACCEPTANCE PACKET- You will receive a packet in the mail that will include your acceptance letter and New Student Guide. Carefully review this guide as it outlines your next steps and explains the New Student Orientation program. (*Transfer students must schedule an academic advising appointment in order to register for appropriate courses. Please review your acceptance letter for specific instructions.*)

ACTIVATE YOUR REBELMAIL- Go to rebelmail.unlv.edu and follow the instructions to set up your UNLV e-mail account.

Before Your First Day of Class

PAY YOUR BILL- After you have registered for classes, your MyUNLV account will be updated with the total amount for your tuition and fees. These charges are payable online through MyUNLV (recommended) or in person at the UNLV Cashiering & Student Accounts Office (Building SSC-A, room 131). For more information, including payment plan options, visit unlv.edu/cashiering or call (702) 895-3683.

Academic Advising

The University of Nevada, Las Vegas supports 11 academic advising centers. Each of the academic advising centers is housed in a college so that students who enroll in particular majors are able to meet with academic advisors who are knowledgeable about every major in the college. There are four methods of obtaining academic advising: 1) face-to-face appointments, 2) telephone appointments, 3) online academic advising, and 4) group academic advising. Please contact the academic advising center of your major to determine which of the four methods are available in your advising center.

UNLV also has a Pre-Professional Advising Center that advises on the processes to apply to schools for Medical, Dental, PA, PT, OT, Pharmacy, Optometry, and Veterinary Medicine, as well as the UNLV/CSN Transfer Office for CSN students who are preparing to transfer to UNLV upon graduation from CSN.

By far, the preferred method of academic advising is experiencing face-to-face appointments. Seventy-seven percent of UNLV students desire to meet in person with an advising professional to discuss degree plans, course rotations, and timely graduation. At this point, the average wait time to meet with an academic advisor during the high traffic seasons is two weeks.

Because academic advisors are interested in the success of every student at UNLV, it is important to schedule an appointment with an academic advisor in the intended major as soon as possible. Regardless of your major, there is an academic advising center housed in each college at UNLV.

Specifically, academic advising offers a supportive environment for accomplishing the following:

- Reviewing four & five year graduation plans
- Accessing degree audit records
- Connecting with faculty in your department
- Customizing a course schedule based on a balance in your academic and personal life
- Connecting with an advocate for your success
- Providing registration advice
- Learning about referrals to appropriate services and opportunities for your involvement
- Finding answers to your questions about your major(s) and minor(s)
- Seeking information that will keep you connected with the campus community
- Understanding policies regarding your admission status
- Assisting with access to your mid-semester grades so academic intervention may be possible
- Collaborating with your academic advisor to establish a graduation goal
- Enhancing your career development knowledge and skills

The primary goal of academic advising is to meet with students on a one-on-one basis to discuss personal and professional goals and to develop a plan for meeting them. For your convenience, there are several ways to accomplish academic advising prior to arrival on campus. More information about contacting the appropriate academic advising center can be located at: <http://www.unlv.edu/advising>.

Note: Each college offers tailored advising for its students. Hours and services are subject to change. Please call ahead for an appointment or for drop-in hours.

Online Education

Online education is a flexible, convenient, and accessible option for students. UNLV provides students the opportunity to enroll in hundreds of hybrid and fully online courses each semester and our online graduate programs are among the best in the nation. Research shows that online education provides real, relevant and timely content that is helpful to students and employers. Online learning provides the flexibility to meet those students with changing and busy schedules. Additional education options allow students to progress towards graduation due to expanded options of course schedule. Check out UNLV's Learn Online website to explore our online/hybrid degree programs and course offerings.

Resources for Online Students

Rebel Transfer Student Organization (RTSO)

Our purpose on campus is to be a resource for the 2000+ transfer students each semester and our goal is to reduce transfer shock and make sure campus life for transfer students is more comfortable and adaptable in order to “bridge the gap to the rebel family.” As a group, we organize meetings to discuss any new and relevant information in regards to UNLV student transfer life, make guest appearances for other organizations who wish to make themselves more well-rounded, and host events that encourage our community to join us through activities, feasts, and camaraderie. We also encourage volunteer work by providing opportunities for our members to donate their time to local charities.

University United Methodist Church Child Development Center

Early childhood is a time of rapid growth and development; when children must be free to discover, explore, experience and gain mastery of skills and knowledge in a safe, predictable, and supportive environment. Our program allows children to mature at their own rate relative to their unique abilities and interests, by participating in a variety of developmentally appropriate, indoor and outdoor, active and quiet, teacher facilitated and child-initiated activities. We believe that all children have the ability to solve problems and resolve conflicts. Staff facilitate, support and encourage these opportunities for children to develop inner discipline and self control.

UNLV Student Conduct Code

Academic Misconduct

Statement of Purpose

UNLV is first and foremost an academic community, with its fundamental purpose being the pursuit of learning and student development. UNLV believes that any instance of academic misconduct hurts the entire community, and that the values of honesty, trust, respect, fairness, responsibility and professionalism are paramount. Therefore, to uphold and support standards of personal honesty and integrity for all members of the campus community consistent with the goals of a community of scholars and students seeking knowledge, it will be the policy of UNLV to enforce these standards through fair and objective procedures governing instances of alleged student academic misconduct.

Expectations

Academic integrity is a legitimate concern for every member of the campus community; all share in upholding the fundamental values of honesty, trust, respect, fairness, responsibility and professionalism. By choosing to join the UNLV community, students accept the expectations of the Academic Misconduct Policy and are encouraged when faced with choices to always take the ethical path. Students enrolling in UNLV assume the obligation to conduct themselves in a manner compatible with UNLV's function as an educational institution.

Honesty

Honesty is the foundation of teaching, learning, research and service; and the prerequisite for full realization of trust, fairness, respect and responsibility. Students and faculty alike must be honest with themselves and others.

Trust

The UNLV community fosters a climate of mutual trust, encourages the free exchange of ideas, and enables all to reach their highest potential. Only with trust can the public at large believe in the social value and meaning of an institution's scholarship and degrees.

Fairness

We strive to establish clear standards, practices, and procedures and expect fairness in the interactions of students, faculty and administrators. Important components of fairness are predictability, clear expectations and a consistent and just response to dishonesty.

Respect

As an academic community of integrity, we recognize the participatory nature of the learning process and honor and respect a wide range of opinions and ideas. Students and faculty must respect themselves and each other as individuals. All must show respect for the work of others by acknowledging their intellectual debts.

Responsibility

Every member of an academic community – each student, faculty member and administrator – is responsible for upholding the integrity of scholarship and research. Individuals must take responsibility for their own honesty and must discourage and seek to prevent misconduct by others.

Professionalism

Because students are aspiring professionals, our community expects them to exercise professional conduct during their career as students and uphold the core value of academic integrity.

Residency Requirements

Qualifying for Nevada Residency

Residency regulations have been established by the Board of Regents. For a complete listing of categories and definitions, please refer to the Undergraduate Catalog.

The following categories qualify for Nevada resident status:

1. A member of the Armed Forces of the United States stationed in Nevada (also applies to spouse and children on accompanying orders).
2. Full-time licensed personnel employed by a public school district in Nevada.
3. A teacher who is currently employed full-time in Nevada.
4. A professional or classified employee of the Nevada System of Higher Education (NSHE).
5. Company relocation (also applies to spouse and children).
6. Family relocation to the state.
7. Millennium scholarship recipients.
8. A student who has lived in the state for a period of 12 months.

Please visit the following website to learn more about the Nevada residency requirements, www.unlv.edu/admissions/residency.

After seven years, I am now back and very excited to graduate. I am taking the LSAT and will be applying to Law School to study gender law.

ACT RESIDUAL TEST/PLACEMENT TEST

UNLV Testing Services offers the ACT Residual exam throughout the year. Students who have not taken either the SAT or ACT can take the residual exam for placement into the appropriate math and English courses. Individuals who want to try to increase their test scores may also take this exam. UNLV students whose test scores are 18 months or older will be required to retake the ACT Residual for placement. Please note that the scores for this test are valid at UNLV only and will not be sent to or recognized by other institutions. These ACT Residual Test scores for math and English are valid for 18 months at UNLV for admission purposes.

Within a year of joining the Army and completing Basic Training, I was deployed to Iraq as a geospatial analyst...I was still in Iraq when I received my acceptance letter to the University of Nevada, Las Vegas. Today, I am a full-time Civil Engineering student. I'm working harder than ever to do well in my courses because I've struggled so much to become a university student. As such, I don't just want to graduate, I want to graduate with honors, join clubs, participate in college life, and make contacts that I'll have for life—and that's what I'm doing.

UNLV English Composition Placement Information

Initial Course Placement

ACT English Score	Old SAT Critical Reading Score	New SAT Evidence-Based Reading & Writing Score	Placement
1-17	200-490	200-470	ENG 101E Composition I Extended
18-29	500-670	480-650	ENG 101 Composition I
30-36	680-800	660-800	ENG 102 Composition II

**The ACT Residual Exam is available through UNLV Educational Outreach link.*

Additional Placement Options

English Language Center: Non-native speakers who place into ENG 101E based on test scores should consider ENG 113E, which is equivalent to ENG 101E, but provides additional support for English language learners. Please contact the English Language Center for more information. (702) 895-4311.

Placement Portfolios: Students who feel that standardized test scores do not accurately reflect their writing ability may demonstrate their preparation for ENG 101 by submitting a portfolio which contains:

- **One cover letter** that identifies the class in which each portfolio essay was originally written, the assignment that was given, and the skills that each essay demonstrates.
- **Two essays of at least 500 words each** that are clearly focused around the central idea, developed with specific supporting details, organized to provide a logical flow of ideas, and edited to observe the conventions of standard written English.
- **A timed essay** that responds to one of two short contemporary articles provided the day of the test.

Go to <http://www.unlv.edu/english/composition> or call the Composition Office (702) 895-3799 for more information.

First Day Diagnostics: Students will complete a diagnostic essay the first day of class in both ENG 101 and ENG 101E. Students whose writing demonstrates weaknesses in basic language skills will be advised to switch to a class offered by the English Language Center or sign up for workshops and tutoring offered by the Writing Center.

Testing for Non-native Speakers: The English Language Center provides testing for non-native speakers to determine their placement into ENG 113 or 113E, equivalent courses to ENG 101 and 101E. Call (702) 895-4311 for more information.

Course Descriptions

ENG 101 Composition I

English 101 is a writing intensive course designed to improve critical thinking, reading, and writing skills. Students develop strategies for turning their experience, observations, and analyses into evidence suitable for writing in a variety of academic disciplines. *3 credits. Letter grades. Credits apply towards fulfillment of UNLV English Composition requirement.*

ENG 101E/101F Composition I Extended

ENG 101E/101F is a two-semester ENG 101 sequence designed for students who would benefit from more practice and instruction than is available in one-semester course. Students use the ENG 101 text to complete the first half of the ENG 101 curriculum during ENG 101E and the second half during ENG 101F. *ENG 101E 3 elective credits S/U grading. ENG 101F 3 credits. Letter grades. Completion of ENG 101E/101F sequence fulfills UNLV requirement for ENG 101.*

ENG 102 Composition II

ENG 102 builds upon the critical thinking, reading, and writing capabilities that students developed in ENG 101. Students learn the processes necessary for collecting and incorporating research material in writing. They learn how to evaluate, cite, and document primary and secondary research sources, and how to develop arguments and support them with sound evidence. *3 credits. Letter grades. Credits apply towards fulfillment of UNLV English Composition requirement.*

Composition for Non-Native Speakers

The English Language Center provides equivalent composition courses for non-native speakers. Students who do not speak English as a first language should call (702) 895-4311 for more information.

English Placement Tests for Non-Native Speakers

<https://www.unlv.edu/elc/mtelp-info>

What is the MTELP?

The English Language Center administers the institutional Michigan Test of English Language Proficiency (MTELP), level 3 by Michigan Language Assessment. This is a general proficiency test for adult non-native speakers of English who need to use English for academic purposes. The MTELP is a paper-based test.

The test is accepted by the institution at which it is offered but may not be accepted at other universities and colleges. If you are interested in taking the MTELP at UNLV but want to use it at another university, you should make sure that the university of your choice will accept the UNLV MTELP. If you plan to attend UNLV, the MTELP may be used for admission purposes in place of the TOEFL iBT, IELTS, and PTE language tests.

The MTELP is designed to measure your English proficiency in the six basic language skill areas: writing, grammar, vocabulary, reading, listening, and speaking. The main section of the test – Parts 1, 2, and 3 (see below) lasts approximately 3 to 3 ½ hours (including check-in at the examination site). The Oral interview begins after Part 3 and a break, and is scheduled in 15-minute increments. Depending on your placement in the list, you may take your speaking test between 1 p.m.-5 p.m.

The MTELP is divided into the following areas:

Part 1: Listening comprehension

Part 2: Grammar, vocabulary, and reading comprehension

Part 3: Written composition

Part 4: Oral interview/speaking

How can you register for the MTELP?

To register for the MTELP, you first have to complete a test application form. You may either pick up an application from the English Language Center (BEH, room 543), or request one via email. Payment for the MTELP must be done in person at the Cashier's Office located in SSC-A Room 131. The MTELP costs \$95. The test fee is non-refundable. Once you have completed the application form and paid for your test, please visit the English Language Center with the completed application form, the receipt, and a government issued ID to register for a test date.

UNLV students who are non-native English speakers and are U.S. citizens or green-card holders are not required to take the full MTELP. If they have graduated from a U.S. high school, they are placed in ESL classes and in ENG 113 based on their MTELP Writing scores only, or ACT and SAT scores. If they have not graduated from a U.S. high school, they are placed in ESL and ENG 113 based on a valid language proficiency test score (TOEFL iBT, MTELP, IELTS, PTE, etc.).

The MTELP is administered on a monthly basis in Fall and Spring semesters. Effective July 1, 2019, there is a \$50 MTELP rescheduling fee.

How can you prepare for the MTELP?

Many English language learning materials are available at bookstores and libraries.

Michigan Language Assessment, which offers the MTELP, has launched the following free on line resources: <http://michiganassessment.org/resources/>

What to bring on the day of the test?

Bring the same government issued ID that you provided us at the time of registration. No cell phone, smart watch, or translation device is allowed during the test.

MTELP Content and Format

Part 1: Listening comprehension

This is a multiple-choice, audio test containing 45 questions. It lasts about 20 minutes. You will be given a test booklet and an answer sheet. You will listen to the problem, read the answer choices in the test booklet, and mark your answers on the separate scantron sheet. For each problem in this part of the test, there are three answer choices. You must choose the ONE BEST answer. If you are unsure, you should make a reasonable guess. There are two kinds of problems in this part of the test: questions and statements.

Question example:

You hear: When is she going for vacation?

You read:

- a.) last week
- b.) to England
- c.) tomorrow

The correct answer is 'c', tomorrow.

Statement example:

You hear: That movie was pretty bad.

You read:

- a.) It was good
- b.) It wasn't good.
- c.) It wasn't beautiful.

The correct answer is 'b', it wasn't good.

Part 2: Grammar/Vocabulary/Reading Comprehension

This part of the test is multiple choice and contains 100 questions: 40 grammar, 40 vocabulary, and 20 reading. The total time limit is 75 minutes, with each question having four answer choices. You must choose the one best answer that applies.

Grammar example:

"Do you want another cup of coffee?"

"It depends on how much time _____ is before we have to leave."

- a.) it
- b.) there
- c.) which
- d.) what

The correct answer is 'b', there.

Vocabulary example:

There are two types of vocabulary questions. In the first type, you are given a sentence with an underlined word or phrase. You should choose the word or phrase that is a synonym for the underlined word or phrase. In the second type of vocabulary question, you will read a sentence with a word missing. You should choose the word that best fits the sentence in meaning.

Jim tried to conceal the package.

- a.) hide
- b.) remember
- c.) tie up
- d.) wrap

The correct choice is 'a', hide.

OR:

The floor was dirty, so she decided to _____ it.

- a.) scrub
- b.) screw
- c.) scurry
- d.) inscribe

The correct choice is 'a', scrub.

Reading example:

While I was getting ready to go to town one morning last week, my wife handed me a little piece of red cloth and asked if I would have time during the day to buy her two yards of cloth like that. I told her I would be glad to do it. Putting the piece of cloth into my pocket, I took the train to town.

Question: The person telling the story is....

- a.) a married lady
- b.) an unmarried lady
- c.) a married man
- d.) an unmarried man

The correct answer is 'c', a married man.

Part 3: Composition

You will be given 30 minutes to write on a random topic. Write only on the topic given to you. In the topic, you might be asked to explain, describe or argue for a specific position. Be sure to include a thesis statement followed by specific examples.

Your compositions will be graded on: 1) how clearly you express yourself in English; 2) your grammar; and 3) your vocabulary usage. This means that your composition should be organized, your arguments should be fully developed, and you should show a range of grammatical structures using broad vocabulary.

Part 4: Oral Interview

You will have a 10 minute conversation with the examiner who will rate your overall communicative language proficiency. The examiner will consider your fluency, grammar, vocabulary and your comprehension. The examiner will ask you questions about your background, your future plans, and your opinions on certain issues. You should try to give more than simple "yes" or "no" answers to the examiner's questions. If you do not understand a question, do not be afraid to ask the examiner to repeat or rephrase it.

Mathematics Placement Using the ALEKS Online Assessment

UNLV offers a computer-based online Mathematics Placement Assessment through ALEKS to measure a student's prerequisite knowledge as a means of improving a student's course placement. ALEKS is a powerful artificial-intelligence based assessment tool that focuses on the strengths and weaknesses of a student's mathematical knowledge, reports its findings to the student, and then provides the student with access to instructional learning modules for bringing this knowledge up to an appropriate level for course placement.

- Students whose current placement information indicates that they will be enrolled in MATH 95, 96, 120, 124, or 126 are encouraged to consider taking the ALEKS Placement Assessment if they wish to seek a higher mathematics course placement.
- The option of improving your mathematics course placement is available to ALL students. While the ALEKS Placement Assessment can be taken at any time, incoming first-year students should consider completing the ALEKS Placement Assessment following admittance – **preferably between December and April for the fall semester or between June and November for spring semester.**

Your ALEKS score is automatically added to your UNLV student profile, which is then accessible by your advisor to assist you in enrollment decisions. If you do not reach the score required for the course you seek, you have two choices:

Choice 1. You may self-remediate in an attempt to improve your score in the Learning Module by clicking on the learning module link after re-accessing the placement assessment. Student may only take the ALEKS exam up to 3 times to improve score.

Choice 2. You may choose to enroll in the mathematics course that requires, as a minimum, the score you achieved on the ALEKS Mathematics Placement Assessment.

The cost of the ALEKS Mathematics Placement Assessment as an “Assessment + Learning” module is \$25 + a proctoring fee for online proctoring and is accessed through MyUNLV. The proctoring fee is currently \$18. The Learning Module is not a single assessment. It provides a learning environment for self-remediation to work towards obtaining the required minimum ALEKS score for the course placement that you are seeking. ALEKS is designed to assist you if you feel that your skills are weak and you would like to review content knowledge in an effective online learning environment, or if you have taken the initial placement assessment and did not reach the minimum ALEKS score for your desired course and want a learning module to assist in reaching the required minimum score.

For further information on the ALEKS Mathematics Placement Assessment, please see the FAQs at <https://mlc.faculty.unlv.edu/placement.html> or contact the Mathematics Learning Center at <https://www.unlv.edu/mlc/aleks>

Website: <http://www.unlv.edu/math/testing>

About the Department of Mathematical Sciences Placement Test

The UNLV DMS offers placement testing designed to provide information about the academic skills of students entering mathematics courses at UNLV. The primary function of the placement test is to assist with determining if a student is prepared for a college level mathematics course, or if the student would benefit from a developmental course. In particular, the test is designed to assess a students' readiness for Math 120, Math 124 and Math 126, or higher placement assessments. The DMS holds the right to modify and realign test standards at any point in time.

Eligibility for Taking the Test

Students who have not met prior math prerequisites must take the DMS placement test. These prerequisites may include any of the following:

1. Sufficiently high ACT/SAT scores taken within the past 2 years
2. Sufficiently high math AP scores (AB or BC test)
3. Previous completion of a NSHE mathematics course for which a student has been appropriately placed (earning a C or better)
4. Appropriate transfer course from another accredited college or university (earning a C or better).

The following students may be eligible to take the Placement test:

1. Students who have completed the SAT/ACT, regardless of when taken
2. Students who have completed a college level mathematics course at an accredited college or university (including NSHE), independent of grade earned, or whether it has been evaluated for transfer
3. Students who have previously taken the DMS placement test

The following students are not eligible to take the Placement test:

Students who have taken the DMS placement test within the last 90 days.

It is the student's responsibility to determine eligibility or seek clarification. While it may be possible for an ineligible student to sign up, pay for and take the placement exam, the fee will not be refunded, and the exam score will be inadmissible and will not be uploaded into the system.

The Structure of the Test

The placement test is offered exclusively through the UNLV DMS. The DMS does not accept any other version of placement testing offered on or off the UNLV campus. The test is formatted as multiple choice responses. During test day, no calculators, phones, or electronic devices of any kind will be allowed in the testing facility. If needed, students will be provided with scrap paper.

Preparing for the Test

The DMS will not provide tutoring for the placement test. In addition, to maintain the integrity of the process, the DMS will not provide students with sample tests, questions or guidance on the objectives covered on the test.

Signing up for the Test

The placement test is offered throughout the year on an appointment basis. Visit the DMS website for more information. Appointments are made through the DMS. The cost of taking the placement test is \$11.00. Seats are limited, so students are encouraged to sign up early. To prepare to take the test, students must:

- Go online, or contact the DMS for the dates and times that the test is administered
- Download or pick up the Application for Math Placement Examination Form from the DMS office and fill it out in entirety
- Present the form to the cashier's office in SSC (Student Services Complex), Building A, Room 131 and pay the fee of \$11.00 per exam
- Take the form and receipt of payment to the DMS. The front office staff will fill in the date and time of your exam

The Day of Your Test

On test day, students must show up with a writing utensil, government issued photo identification and/or UNLV RebelCard. Backpacks, cell phones, cameras or calculators are not allowed in the testing facility. It is up to the student to secure these items; the DMS will not provide storage of property outside the testing facility. Scrap paper will be provided if needed. After being checked in, students will complete the test within the time permitted. All codes of academic integrity will be honored, and any breach of academic integrity will be reported to the Office of Student Conduct.

Using Test Results for Placement

After the test is completed, the DMS will input the scores into the system. Once the scores are uploaded, the DMS will contact students to inform them of the classes for which they are eligible to register. Students will then be able to enroll into these classes. If there are any questions or problems with enrollment, contact the DMS for assistance.

Common questions from adult learners:

- **What is The College-Level Examination Program?** CLEP is a credit-by-examination program, that allows students the opportunity to receive college credit by earning qualifying scores on exams. Students should check with their college advisor or the UNLV catalog to verify what tests are accepted for credit before taking the test. CLEP exams offer a low-cost method for earning college credit.
- **Interested in an Online degree?** This could be a great option for students who have limited time and want to complete it entirely online! Check with your academic advisor or call Online Education for further information at: (877-895-0334) (Toll-free), (702) 895-0334. You can email questions to online@unlv.edu or go to the website at <https://www.unlv.edu/provost/online-education>.
- **How do I change my name?** If you have a change or a correction that is needed in your name, go to the Enrollment Services Center and ask for the **“Request to Change Personal Identification Data”** form. The form is also available at <https://www.unlv.edu/registrarforms>.
- **What resources does the library offer?** The Libraries support your academic, personal, and professional success by providing up-to-date technology, comfortable and welcoming learning spaces, expert staff to support you at all levels, and print and electronic research collections. You can receive research assistance from librarians in person, in a virtual meeting space, via chat, text, email, and phone. Through the “Meet with a Librarian” Research Consultation Service, librarians can meet with you on an individual basis or with a small group. This service offers help tailored to your paper, project, or research assignment, and there is a subject librarian for every major
- **How do I get tickets to Intercollegiate Athletic events?** Full-time undergraduate students (12 credits or more) are available for FREE while part-time students (less than 12 credits) can receive a 50% discount for tickets. unlvtickets.com
- **How do I get tickets to plays and performances?** Tickets are available at a discount for UNLV students. Depending on the performance, students with a Rebel Card do get benefits. Call the UNLV Box Office at (702) 739-3267 or the Performing Arts Center Box Office (702) 895-2787.
- **Is the Student Recreation and Wellness Center (SRWC) available to all students?** Yes, the SRWC is part of campus life! If you are enrolled for 3.5 credits or more, take advantage of this state-of-the art wellness facility on the UNLV campus!
